Fighting sexual harassment by initiating bills that have to be considered by the likes of Ted Kennedy, Bob Packwood and Clarence Thomas **why bother?**

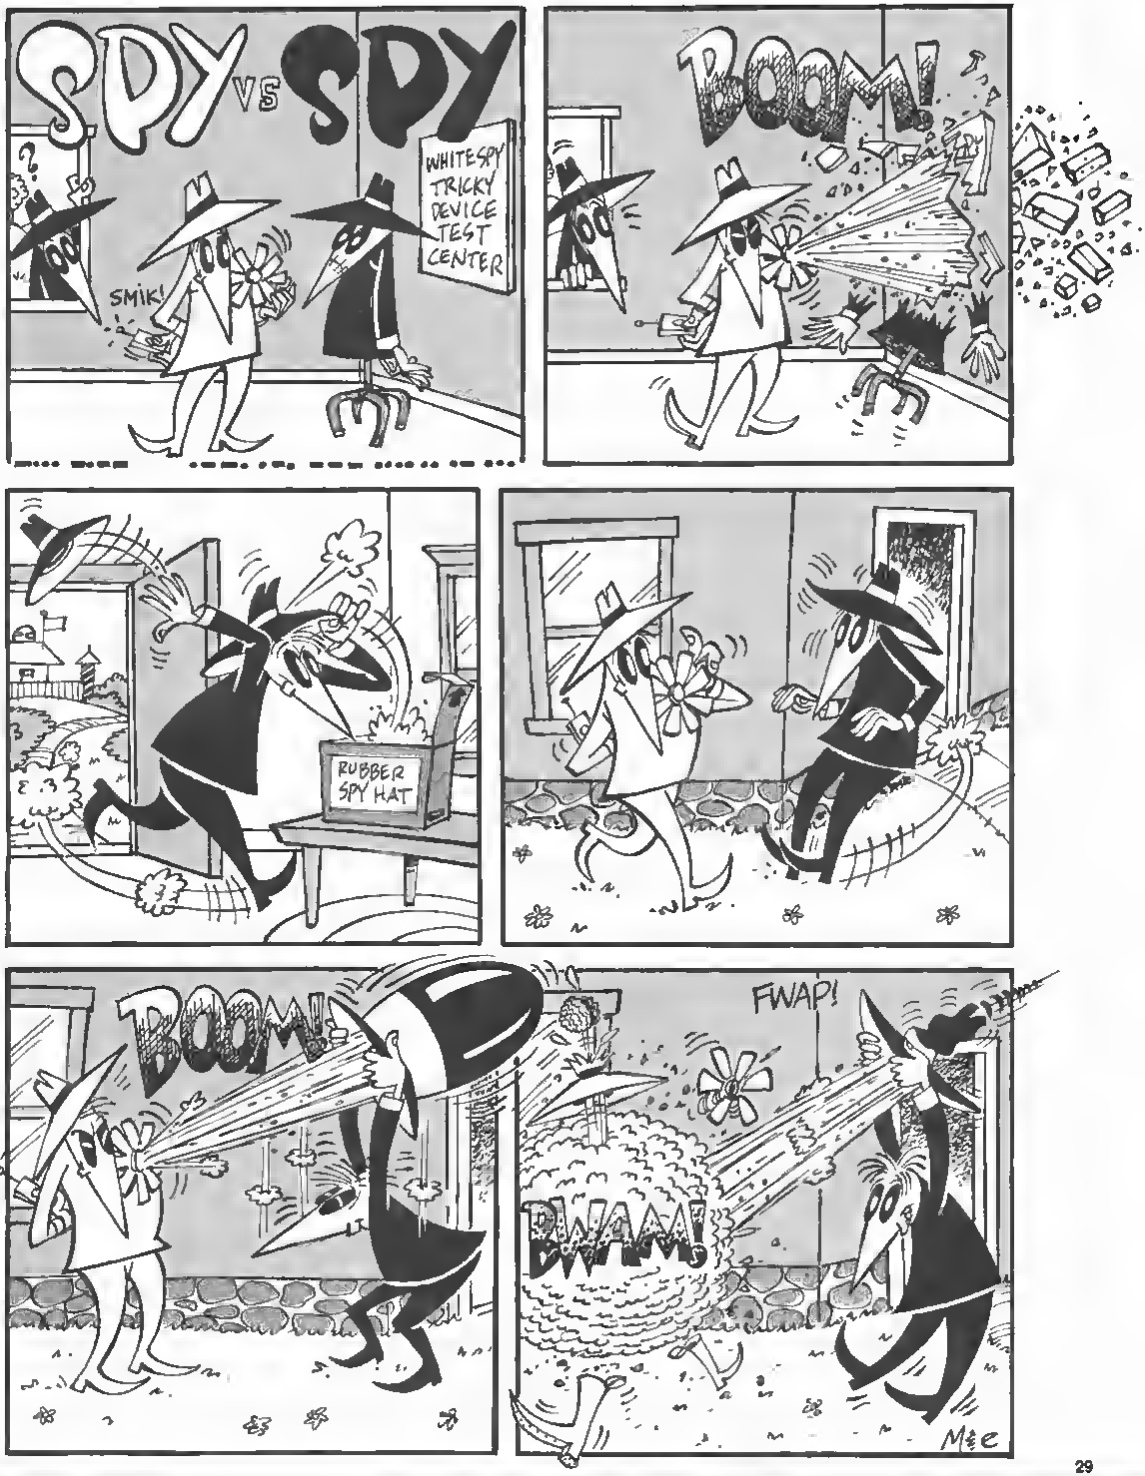

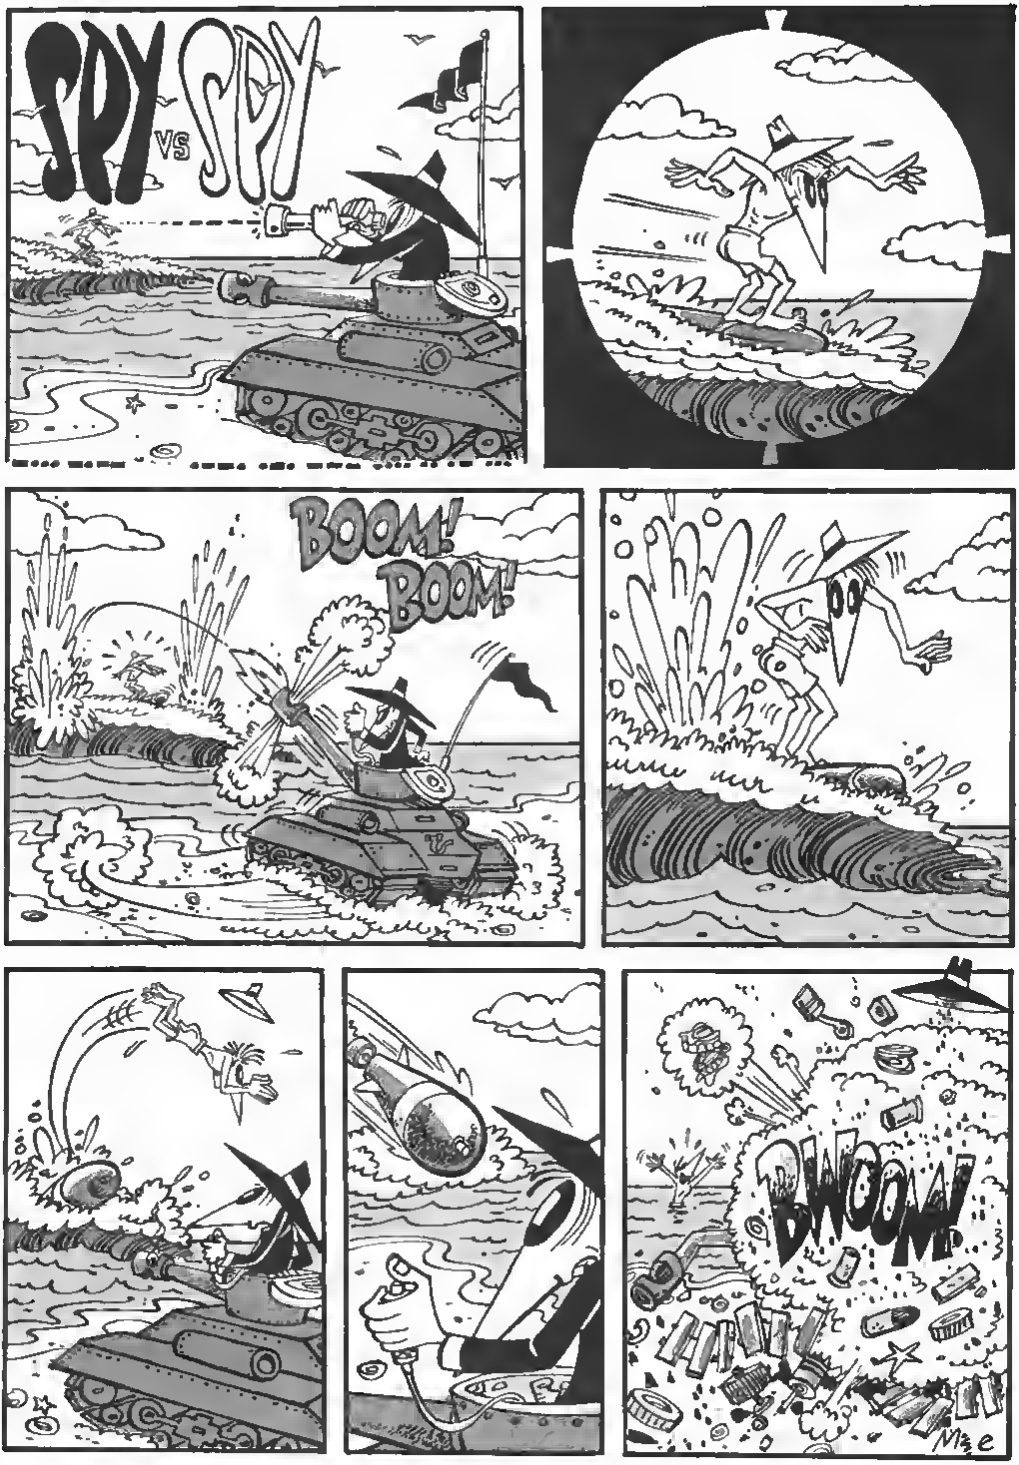

MAD FACTOIDS Al Shaplow, non-alcoholic beer, Jesse Helms and the Home Shopping Network are all part of an elaborate practical joke being played on us by beings from the 14th Dimension

MESSAGE TO TREKKIES: William Shatner's advice for you all to "Get a life!" has been superseded by "Continue wasting your lives by buying all of my Tekwar books!"

Truth allergic politicians skip over hard-hitting real interview shows but flock to substance-free puffball meister Larry King? well, duh!

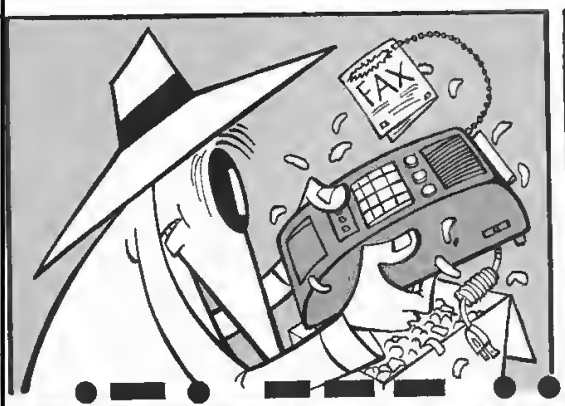

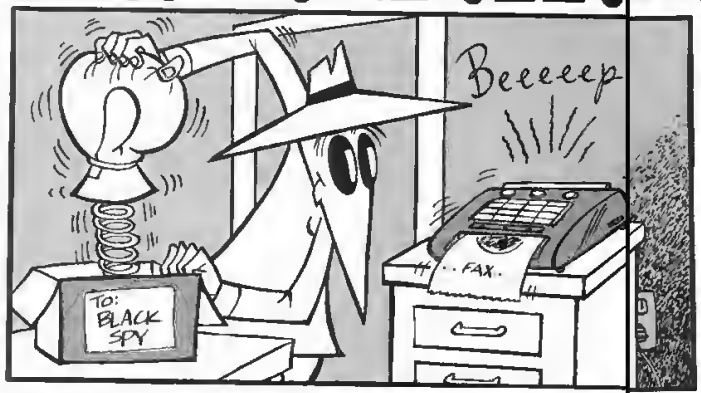

At the beginning of last football season you bought a Cleveland Browns hat, shirt, pennant, bumper sticker and windbreaker to show you're the most loyal Browns fan in Cleveland. Aren't you the genius!

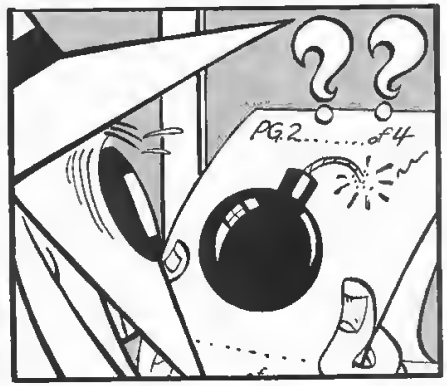

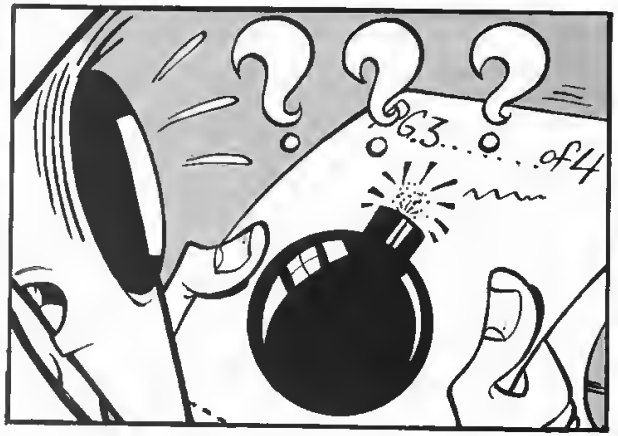

DR KEVORKIAN: Self-appointed "Suicide Doctor" or minor character from *Star Trek III* that only serious Trekkies remember?
